DISCOVER BOATING WORKSHOPS

In the Discover Boating Booth!

These are hands on workshops for novices as well as experienced boaters.

Knots for Boaters

Having the right knot for the job is an important skill on any boat. Here is a chance to learn some new ones and practise those you know for the upcoming boating season.

Anchoring Skills

Anchoring is more than just tossing the 'hook' over the side and hoping it catches! In this workshop, simple techniques are demonstrated that will help to anchor more effectively.

Trailer Tips

Keeping your trailer and boat safe and on the road is important. Get tips on launching and hauling your boat when its on a trailer, and learn about maintaining your trailer.

Thursday 4:30PM Anchoring Skills
7PM Knots for Boaters

Saturday 11AM Knots for Boaters
1PM Trailer Tips
2:30PM Anchoring Skills

Friday 1PM Knots for Boaters

7PM Anchoring Skills

Sunday 11AM Knots for Boaters
1PM Trailer Tips
3:30 PM Anchoring Skills

Workshop Leaders

Michael Ernst of Sail Mahone Bay

A sailor and teacher, Michael Ernst has spent much of his life on the water. He first sailed the waters of Mahone Bay as a boy. After nearly three decades teaching outdoor education in the U.K. and Australia, he returned in 1994. Michael is a **certified CYA instructor and holds Bachelor and Master's degrees in education.**

John Gullick

John is the Manager, Government & Special Programs for the Canadian Power & Sail Squadrons. He is a Past Chair of the Canadian Safe Boating Council and an active Boating Safety Specialist with the Canadian Coast Guard Auxilliary. He has over 45 years experience as a water and boating safety educator.
